

ACKNOWLEDGEMENTS

First of all, the writer wants to say Alhamdulillah to show how grateful the writer feels to be able to complete this thesis that was conducted to meet the graduation requirement of an undergraduate degree in English education Major of the Faculty of Teacher Training and Education at the University of Muhammadiyah Tangerang. Without Allah SWT's permission, the researcher won't be able to finish this thesis. Greetings and prayers for the great prophet Rasulullah SAW, may peace always be upon you.

The writer wants to convey the appreciation for the writer's academic advisor, Dr. Ikhfi Imaniah, M.Pd. who guided the writer since the start of the writer's journey in this university and also for being the validator of the research instrument of this research. also to the writer's Thesis advisor lecturers, M. Abduh Al-Manar, M.Pd. and Abdul Rohim, SS., M.Pd., the writer wants to say thank you for patiently guiding the writer during the writing process of this thesis, and giving the writer much insightful feedback that helped the writer to improve the quality of this thesis. No matter how busy, the writer's advisor lecturers always give the writer a chance to seek their guidance in writing this thesis.

Big gratitude is also directed to the writer's family, who supported the writer during this study, and the lecturers and staff of the English education major, who patiently answered the writer's questions about the thesis writing procedures.

Lastly, thank you to A1 class students for being there with the writer during this journey.
