

ACKNOWLEDGEMENT

First of all, I would like to express my gratitude to our Lord Allah ﷻ that has blessed me with the best things in my life. Because of his grace and blessings, I was able to complete this research. Furthermore, shalawat and salam to the Prophet Muhammad ﷺ who has brought his people out of darkness.

My gratitude also goes to several parties that I respect, who have played a role in helping researcher until this thesis is completed. They are:

1. Dr. H. Desri Arwen, M.Pd., The Rector of University of Muhammadiyah Tangerang.
2. Sumiyani M.Pd., as the Dean of Faculty of Teacher Training and Education in University of Muhammadiyah Tangerang.
3. My first advisor, Mr M. Abduh Al Manar, M.Pd., who has guided me throughout the process of this thesis. I am grateful to him for all his valuable advice, instruction, insight, and guidance.
4. My second advisor, Ms. Nargis, M.Hum., who has also guided me during the process of this mini-thesis. I also thank her for all his advice/ correction, directions, understanding and valuable guidance.
5. All lecturers in the English Department, Faculty of Teacher Training and Education who taught, educate me with a lot of valuable knowledge while the researcher study in this university.

6. The Headmaster, Curriculum and English Teacher at SMK Teknologi Pilar Bangsa who gave the researcher permission the researcher to conduct research in their education unit.
7. All students of Seventh grade especially XI OTKP 1 and XI OTKP 2 in Academic year 2023/2024, SMK Teknologi Pilar Bangsa for being cooperative to be my sample.
8. My little sister Almeera Rajwatunnahda who always accompanied me and listened to my complaints like a best friend.
9. My parents, mamah and papah who never stop praying, supporting, and inspiring me to always be an obedient servant to Allah ﷻ.
10. My brothers and sisters, who have willingly become my financial supporters all this time, thank you for being a role model for me to be able to support our little sister too.
11. My beloved boosters, WASEDA BOYS (Jerome Polin, Tomohiro Yamashita, Otsuka Ryoma, Yusuke Sakazaki) and PANAROMA (Nyoman Paul, Nabila Taqiyyah, Rony Parulian and Salma Salsabil) who have accompanied my days on my screen and made me laugh out loud.
12. All my classmates A2 English Education class of 2020 who have shared many experiences and stories with me during study.
13. Lastly, I would like to say thank you to Raita who is still and will continue to survive at her own phase of life. Keep fighting for your world and the afterlife, many people are expecting you especially your own self.

The researcher hopes that this mini thesis can be useful for other researchers to become one of their research references. The researcher realizes that this thesis is still far from being perfect. Constructive suggestions and criticisms are highly expected during the research process.

Tangerang, June 11th 2024

The researcher
