## Appendix 3 Result of Paragraph Writing Test

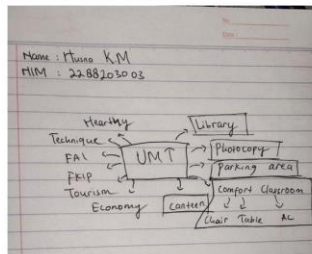

Tangerang City Mall is one of the leading shopping centers in Tangerang, offering various facilities and entertainment options to meet visitors' needs. This mall is a favorite destination for many people due to its lively atmosphere and wide range of entertainment choices. Inside the mall, visitors can find a food court with diverse culinary options, from local dishes to international cuisine. Additionally, there are restaurants that offer a more exclusive dining experience. For movie lovers, Tangerang City Mall provides a modern cinema with advanced screen and sound quality. To ensure visitors' convenience, the mall is equipped with facilities such as elevators and escalators that make accessing each floor easy. There is also a clean and comfortable prayer room (mushola) for those who wish to pray, as well as well-maintained restrooms. The mall's interior is kept comfortable with air conditioning, ensuring a cool environment even during peak hours.

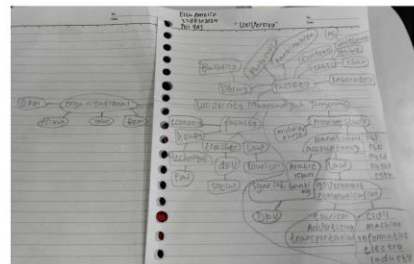

However, the prices of goods in this mall tend to be higher compared to other shopping venues, reflecting the comfort and facilities offered. Despite this, shopping at Tangerang City Mall remains enjoyable because, in addition to shopping, visitors can also enjoy various entertainment options, such as live music performances that often add to the festive atmosphere, and play areas like Timezone, which are popular with both children and adults. With all these advantages, Tangerang City Mall is an ideal choice for recreation and shopping for families and the local community.

Muhammadiyah University Tangerang (UMT) is a tertiary institution that offers various facilities to support student academic and non-academic activities. On this campus, there is a complete library, photocopying services, a large parking area, comfortable classrooms with facilities such as chairs, tables and air conditioning. Apart from that, there is also a canteen which provides a variety of food and drink choices. UMT has various faculties, such as the Faculty of Islamic Religion (FAI), Faculty of Teacher Training and Education (Teacher), Faculty of Tourism (Tourism), Faculty of Social Sciences (Social), Faculty of Engineering (Technique), Faculty of Health (Healthy), and Faculty of Economics (Economy). The study programs offered include Midwifery, Nursing, Management, Accounting, English Language Education (PBI), Primary School Teacher Education (PGSD), Mathematics, Law, Communication, and Visual Communication Design (DKV). UMT students are also encouraged to be active in student organizations such as the Student Executive Board (BEM), Student Association (IM), Student Association (Hima), and various Student Activity Units (UKM).

Universitas Muhammadiyah Tangerang (UMT) is an educational institution that offers various facilities to support the comfort and effectiveness of the learning process. At UMT, there is a well-equipped library with an extensive collection of books and digital information sources. Additionally, photocopy services are available to assist students in printing lecture materials and other documents. The campus also features a spacious parking area, ensuring convenience for students and staff who drive. The classrooms at UMT are designed for optimal learning comfort, with ergonomic chairs and tables, and are equipped with air conditioning to maintain a cool learning environment. Students can also enjoy a variety of food options at the campus canteen. UMT boasts several prominent faculties, including the Faculty of Islamic Studies (FAI), the Faculty of Teacher Training and Education (Teacher), the Faculty of Tourism (Tourism), the Faculty of Social Sciences (Social), the Faculty of Engineering (Technique), the Faculty of Health Sciences (Healthy), and the Faculty of Economics (Economy), each offering a range of study programs tailored to meet current job market needs.

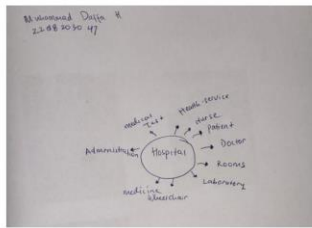

University Muhammadiyah Tangerang (UMT) is one of the leading higher education institutions that offers a comprehensive range of facilities and academic programs to support both the learning process and the personal development of its students. The campus is equipped with modern facilities designed to meet both academic and non-academic needs. One of the key facilities is the library, which boasts a complete collection of books as well as access to various digital information sources, aiding students in their research and studies. Additionally, there is a photocopy service that allows students to quickly and efficiently print documents or lecture materials. The parking area at UMT is spacious and secure, providing convenience for students and staff to park their vehicles. The classrooms on this campus are designed with students' comfort and needs in mind. Each classroom is equipped with ergonomic chairs and desks, as well as air conditioning to create a comfortable learning environment, even during hot weather. Between classes, students can relax or eat at the campus canteen, which offers a variety of affordable and healthy food and beverage options.

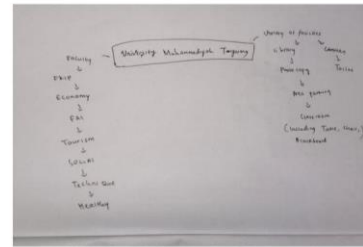

UMT offers various faculties with a wide range of study programs that are relevant to current job market needs. Some of the prominent faculties at UMT include the Faculty of Islamic Studies (FAI), the Faculty of Teacher Training and Education (Teacher), the Faculty of Tourism (Tourism), the Faculty of Social Sciences (Social), the Faculty of Engineering (Technique), the Faculty of Health Sciences (Healthy), and the Faculty of Economics (Economy). The study programs offered by the university are also very diverse, ranging from health programs such as Midwifery and Nursing to economics and business programs such as Management and Accounting. UMT also offers education programs such as English Education (PBI) and Primary School Teacher Education (PGSD), as well as exact science programs such as Mathematics. In addition, there are also popular study programs in the fields of law, communication, and visual communication design (DKV).

In addition to its academic focus, UMT strongly supports the development of students' soft skills and leadership abilities through various student organizations. On this campus, students can join the Student Executive Board (BEM), which plays a role in voicing student aspirations, or join the Student Association (IM) and Student Councils (Hima) relevant to their study programs. Additionally, there are Student Activity Units (UKM) that offer a variety of extracurricular activities such as arts, sports, and other social activities. These organizations not only help students develop their talents and interests but also equip them with valuable leadership and teamwork experience for their future careers.

A hospital is a healthcare facility that plays a crucial role in treating and healing patients who require medical care. In the hospital, doctors and nurses work together to provide the best healthcare services to patients, from diagnosis to treatment. Patients who need more intensive care can be admitted to inpatient rooms, which are equipped with facilities such as air conditioning to ensure comfort. The hospital also provides medications prescribed by doctors to aid in the healing process. For patients with mobility limitations, wheelchairs are available to help them move around the hospital more easily. Additionally, the hospital is equipped with a laboratory to conduct various medical tests necessary for diagnosis. The hospital's administration department handles all administrative matters, such as patient registration, room assignments, and management of treatment costs. All these elements work together to ensure that every patient receives comprehensive and high-quality care.

University of Muhammadiyah Tangerang is a bustling and dynamic learning environment, offering a variety of facilities that support both academic activities and the daily needs of students. The campus is equipped with a comprehensive library, providing students with access to the necessary academic references. Additionally, photocopy services are available to make it easier for students to print lecture materials. The spacious parking area ensures convenience for students and staff who commute by private vehicle. Classrooms at UMT are designed with ergonomic chairs and tables, and are equipped with air conditioning to create a comfortable learning atmosphere. The canteen offers a wide range of food and beverage options, while clean and well-maintained toilets are available in every area of the campus. UMT boasts several prominent faculties, including the Faculty of Islamic Studies (FAI), the Faculty of Teacher Training and Education (Teacher), the Faculty of Tourism (Tourism), the Faculty of Social Sciences (Social), the Faculty of Engineering (Technique), the Faculty of Health Sciences (Healthy), and the Faculty of Economics (Economy). All of these factors make UMT an ideal learning environment for students to grow both academically and personally.
