

ACKNOWLEDGMENT

In the name of the most wise Allah swt, the researcher expresses gratitude for his blessings that have given the researcher health and then so that the researcher can complete this mini thesis. Peace and blessings be upon our Prophet Muhammad and his family, who have brought humanity from the age of darkness to an age full of knowledge and the light of faith.

With Allah's grace and blessings, this thesis entitled "The Effect of Literacy Cloud Website On Improving Students' Reading Comprehension In 7th grade At SMP Negeri 2 Pagedangan" was prepared as one of the requirements to complete Degree of Bachelor (S. Pd) in English Education study program at University of Muhammadiyah Tangerang.

The preparation of this thesis certainly cannot be separated from the assistance, guidance, and support of various parties. Therefore, on this occasion, the researcher would like to express her deepest gratitude to:

1. Dr. H. Desri Arwen, M. Pd., as the Rector of University of Muhammadiyah Tangerang, who has provided facilities and support during the study process.
2. Sumiyani, M. Pd., as the Dean of the Faculty of Teacher Training and Education, who has provided guidance and support.
3. Yudhie Indra Gunawan, M. Pd., as the Head of English Education Study Program, who has provided guidance, support and facilities.

4. Dr. Ikhfi Imaniah, M. Pd., as the first advisor, who has provided guidance, direction, and support during the process of writing this mini thesis.
5. Diah Retno Anraini, M.Pd., as the second advisor, who has provided valuable advice and input for the improvement and the enhancement of this mini thesis.
6. All lecturers and staff of the English Education Study Program, who have provided knowledge and assistance during the study process.
7. All of the teacher, staff, and students of 7.7 and 7.9 SMP Negeri 2 Pagedangan academic year 2023/2024.
8. Beloved parents, father Imam Suroto and mother Rohayati, my dearest little brother Gaza Azkalana Hafiz Alfarizy, and family, who always provide endless prayers, motivation, and support.
9. To the researcher's *Long Live*; Kia, Uwi, Rika, Dita, Mela, and Witri. Thank you for making these years filled with laughter, support, and lasting memories. The researcher could not have asked for a better person to share this chapter with.
10. English Education A2 classmates, thank you for the never-ending encouragement and support. From countless discussions and challenges faced together to laughter and friendship, you have been an endless source of motivation, and for that, the researcher is eternally grateful.

11. Friends of the researcher, who have provided support and friendship both directly and indirectly during the research and writing of this mini thesis.

12. A special thanks to BTS and Taylor Swift, which provided the researcher inspiration and comfort through the melodies and meaningful lyrics of their songs. Their music has made the long hours of work more enjoyable and has served as a constant source of motivation.

The researcher realizes that this mini thesis is far from perfect. Therefore, any constructive criticism and suggestions are highly appreciated for future improvement.

Finally, the researcher hopes that this thesis can provide benefits for readers and interested parties. May Allah Subhanahu wa Ta'ala always grant His grace and guidance to all of us. Aamiin.

Tangerang, July 4th 2024
